

NEA Board Discusses Our Strategic Objectives

By Marilyn Warner

During the NEA Board meeting, board members engaged in small group discussions focused on NEA's Strategic Objectives. The purpose of our discussions was to build and strengthen relationships in preparation to provide direction, support and leadership on the objectives.

The Six Objectives are:

- Increase Educator Voice, Influence, and Professional Authority
- Recruit and Engage new and early career educators
- Advance Racial Justice in education
- Support Professional Excellence
- Secure the Environment to advance the mission of NEA and its affiliates
- Enhancing Organizational Capacity

To learn more about the NEA Strategic Objectives, please view this [slideshow](#) that was shared during the board meeting.
